## WORK EXPERIENCE

### Freelancer Broker

- Research and contact vendors and take details from them.
- Display details on my page and try to attract customers.
- When the buyer contacts me, I try to convince him to buy.
- When the transaction is completed between seller and buyer, I get my commission for my fees.

## GOALS

- ▶ Working on developing myself in the field of management informatics by watching YouTube clips related to this field.
- ▶ Following the field of commerce on social media, and I have good experience.
- ▶ Studying currently a master's degree in management informatics.
